A heartfelt "thank you" to each of you who have volunteered, adopted a dog or multiple dogs from Triangle Sheltie Rescue (TSR) over the past twenty-four years. TSR has rehomed 950 dogs to date, and we are proud that you are a part of the TSR family.

In the spirit of transparency, a couple of former volunteers who misunderstood TSR's policies may have contacted you with a request to keep them informed about your adopted TSR dog. You have no obligation to comply with that request. These volunteers have resigned, and we thank them for their contributions and wish them well.

The TSR Board of Directors (TSR BOD) would like to clarify that the Adoption Contract you signed is between TSR and you, the Adopter. In the event you need assistance with your adopted dog, your contract contains information on the TSR BOD representative that is your point of contact. We would like to update you with our new email address, triangleshelties@gmail.com.

The TSR BOD is the only contractual representative that has enforcement rights within the contract terms.

Meanwhile, our mission continues, and we ask for your ongoing participation. While the number of Shelties entering TSR's program continues to decline, we pledge to help the Shelties that are entrusted to our care and provide for their needs, whether behavioral, medical or social. And most importantly, place them "in loving arms."

Sheltie hugs!
